

MoKan Volkswagen Club was organized in 1985 to bring together for fun, education, and mutual support, those in the bi-state Kansas City area who have an interest in the ultimate people's car, *Volkswagen*. Most members have one or more classic VWs, but ownership of a VW is not required to join our club. We welcome both air-cooled and water-cooled VW enthusiasts.

The club organizes several events each year, including a spring and fall swap meet, cruises, movie nights at a local drive-in theatre, and our premier event in May, the *Bug Blitz, Bus Blast* that also serves as fundraiser for local charities.

Club members participate in many other events, such as the Eureka Springs show, the Salina German Car Fest, and many local activities, including benefits for charities such as Toys for Tots.

Club meetings are every second Wednesday of the month and alternate between the Missouri and Kansas sides of the Kansas City metro area.

Annual membership dues for Individual or Family are \$20 per year for electronic delivery of full-color copy of the monthly Newsletter.
